High School Sports Camera Operator

Description

Are you passionate about sports and skilled behind the camera lens? Join us at 7 Mountains Media, home of WCLU Radio in Glasgow, KY! We're on the lookout for a dynamic individual who can capture the excitement of high school sports events with finesse and enthusiasm. It's time to transform your passion into a paycheck – are you ready to make magic happen?

Responsibilities

Game Day Action: As our High School Sports Camera Operator, you'll be at the heart of the action, filming various sporting events including football, basketball, baseball, and more. Your keen eye for detail will ensure that every crucial moment is captured on camera.

Live Coverage: Be the eyes of our audience! You'll be responsible for providing live coverage of games, ensuring that viewers feel like they're right in the stands, even if they're miles away.

Equipment Management: From setting up cameras to troubleshooting technical issues, you'll handle all aspects of camera equipment with finesse. Prior experience with camera operation and maintenance is a plus.

Travel: Get ready to hit the road! While our station is based in Glasgow, KY, you'll need to travel to various locations to cover sports events. A reliable form of transportation is a must.

Flexibility: Sports schedules can be unpredictable. Your availability to work evenings and weekends will be key to ensuring comprehensive coverage of all the action.

Requirements

Passion for Sports: Whether it's football, basketball, or soccer, a love for the game is essential for this role.

Reliability: We're counting on you to be there rain or shine. Your commitment to punctuality and dependability ensures smooth operations and successful coverage. We understand that life can sometimes throw curveballs, and we appreciate open communication and proactive problem-solving when unexpected challenges arise.

Technical Skills: While prior experience is beneficial, we welcome candidates who are eager to learn and have a basic understanding of technology. Our team will provide training and support to help you become proficient in operating our equipment effectively.

Physical Comfort: Comfortable attire and the ability to maintain focus during filming are important for capturing the best shots. While the role involves physical activity, it's typically manageable within standard comfort levels.

Team Player: You'll be working closely with our production team and sports
